

# ROSLINDALE GATEWAY PATH COMMUNITY MEETING

**6:30 PM**

**Thursday,  
February 28**

Menino (Archdale) Community Center  
125 Brookway Road, Roslindale

Join your neighbors to share information and feedback on the multi-use Roslindale Gateway Path, connecting Roslindale Village to Forest Hills and the Southwest Corridor.

We will present the design for the entire end-to-end path, as well as plans for a new Arboretum entrance and path at Arboretum Road. This will be a great new resource for families, walkers, bicyclists, and visitors to the Arnold Arboretum.
